

CONTAMINATED SITES
LEGISLATION OBJECTIVES

RISK ASSESSMENT

Questions?

We'll have a contact list by end of the month for all divisions of our department.

We're looking to improve this and include Indigenous perspectives.

Engagement on Contaminated Sites in BC:
Risk Assessment on Contaminated Sites

MONDAY, FEBRUARY 7th, 2022

How to be engaged

values + want to protect

EARLY +
OFTEN
+ ALL FACETS
OF ASSESSMENT

integrate archaeological reviews

Interest in REGIONAL Outreach

definition of OWNER (who's responsible)

OPEN BURNING

QUESTIONS

i LOVE being INDIGENOUS and all the teachings WE HOLD.

THERE'S ALWAYS SOMEONE WATCHING OVER US, LETTING US KNOW WHAT TO DO

Words + Prayer By: ELDER KAT NORRIS
